CUSTOM CAPABILITIES | SHAKER PANEL DOORS

We have the capacity to make many flat panels designs in **1-3/8"** or **1-3/4"** with various **patterns, heights, and widths. Fire-Rated Doors** are also available. Let Trimlite help you create an interior look that will be a true reflection of your taste. Here are just some of the designs we can do:

Custom Doors | Primed or Fir

Custom 4 lite with diffused white laminate glass

FIR | SHAKER PANEL DOORS AND BIFOLDS

Want something completely different? Consider Douglas Fir. Our Fir doors feature a fine vertical grain in soft brown tones. Clear coat or stain and you will create a warm, natural look with this West Coast staple.
